The scholar will have consequences stated in the *code of conduct*.

**IX. Bus:**

The school bus is an extension of the school therefore scholars will be held to the same standards as by the school *code of conduct* while on the bus.
- b. The safety of your scholars is of the utmost importance to us at NRCS. This includes their safety on NRCS and NRCS contracted buses on school routes and field experiences.

**XII. Civility Policy School Board 108**

- a. Parents/Guardians and volunteers will treat all staff members with dignity, respect, and making "a good effort" with regard to other's feelings. Corrective actions may be taken by school administration or school board members. This is including but not limited to all expressed communications verbal and nonverbal.

**XIII. Clinic:**

- a. A clinic is available to scholars who are not feeling well. This is not a doctor's office. Please do not send your scholar to school if they are not feeling well and advise them to see the nurse. However, should your scholar become ill at school,

they will be sent to the clinic and adequate care will be provided. If it is deemed that a scholar must be sent home, a phone call will be made to the parent/guardian. If the parent/guardian cannot be reached, emergency contact numbers will be tried before a text message is sent. Any scholar that is injured while at school will also receive a call home that follows these same guidelines. All visits to the clinic are documented electronically via the clinic log. Scholars will also participate in a hearing and vision screening per the required grades by state throughout the school year. See *code of conduct* for more information on clinic guidelines.

**XIV. Closing/Inclement Weather:**

- a. Scholar and staff safety are the primary concern of NRCS. NRCS will open on all regularly scheduled days unless inclement weather or an emergency occurs. Closings or early dismissals will be announced via various electronic means. SwiftK12 will send out a message for all closings or delays.

**XV. Curriculum: *See Place-Based***

- a. NRCS teaches the state standards through a place-based, hands-on curriculum using Reading Wonders and StudySync for ELA and Envision 2.0 or McGraw-Hill for Math. NRCS also provides McGraw-Hill science and social studies junior high curriculum, Learning Without Tears, Learning A-Z, Shurley Grammar, Aleks, IXL, BrainPOP, Phonic Dance, Heggerdy, Studies Weekly, and Scholastic News. As a district, we provide teachers with the tools and best practices they need to ensure their scholars have a solid academic foundation.

**XVI. Dens:**

- a. Den School-Wide Structure: Grades K-6
  - i. The school is divided evenly into eight dens. Each scholar and staff member belong to a den. The scholars and staff are divided so that every classroom contains a member from each house. Houses work like a family and members work together to develop individual and group character traits.
  - ii. The goal of dens is to create an honor system among staff and scholars that builds character traits, teaches responsibility, establishes respect, and improves the academic process.
  - iii. All den names are the word “tiger” in various languages.
  - iv. Dens and Den Colors:
    1. Kaplony (purple)
    2. Harimau (red)

Scholars who do not abide by the dress code may be asked to turn shirts inside out, change into extra, clean clothing kept at the school clinic, or call parents or guardians to bring a change of clothes. *See code of conduct*
  - i. Any form of dress or hairstyle, which distracts from the learning environment, will not be permitted. This includes, but is not limited to the following:
    1. No article of clothing may be worn that promotes the sale or use of alcohol, drugs, tobacco, or violence
    2. Hats or sunglasses are not to be worn in the school building unless for a special occasion, such as hat day or sports team day
    3. T-shirts with low-cut armholes shall not be worn
    4. The torso of all scholars must be covered
    5. Skirts, dresses, and shorts must be at least mid-thigh length

- a. Scholars may drink plain (not colored or flavored) water in the classroom in an appropriate, enclosed container. No carbonated beverages are allowed.

- a. NRCS is a drug, alcohol, vape, and smoke-free campus. NRCS will not tolerate the use or possession of alcohol, illegal drugs, or any paraphernalia on school property. According to state law, a scholar in possession of, or under the influence of, drugs or alcohol can expect to have law enforcement intervene and can be subject to expulsion. *See code of conduct*

**XX. Email:**

- a. Communication between parents and teachers is essential and required for the success of all scholars. If a parent has an email address, please call the office or send a note with your scholar sharing it with the school. Staff will then be able to

contact parents if a concern arises. Parents can contact staff members via email, letter to the school, text message, or phone. Alert Solutions will also send messages via the method of choice.

**XXI. Emergency Drills:**

- a. We will be exercising the following emergency drills and procedures per state laws.
  - i. Fire
  - ii. Tornado
  - iii. Earthquake
  - iv. Intruder
  - v. All Evacuation

**XXII. Field Experiences:**

- a. Field experiences are an extension of the classroom and scholars are expected to behave in the same manner as they would within the classroom. Due to the nature of field experiences and the interaction that will occur with community members, scholars are expected to be role models and on their best behavior.
  - i. If a scholar is disrespectful or misbehaves, then a conference will occur before the scholar can attend another field experience. If the behavior continues at school, then field experience privileges will be revoked or the parent will be required to attend future field experiences with the scholar. If a scholar loses the opportunity to participate in a field experience, the scholar will be required to attend school on the day of the field experience. Due to the nature of the NRCS curriculum, exclusion from field experiences will seriously impact a scholar's learning experience.
  - ii. If scholars misbehave in the classroom, then the Administration along with the teacher can decide for the scholar not to attend the field experience or require a parent to attend. A field trip experience is an extension of the school; therefore, the same rules and policies apply. *See code of conduct*
- b. All scholars are required to turn in a field experience permission slip to take part in approved field experiences. Each experience will require a new permission slip. If a scholar does not turn in a permission slip, then the scholar is required to remain at the school on the day of the trip. The scholar will complete the work assigned by their teacher. This is graded work that will take the place of the grade scholars to receive for the field experience.
- c. Only scholars in the classroom attending the field experience are eligible for the trip. In the event parent chaperones are needed, no other scholars, including siblings, can attend the experience. Chaperones will need to concentrate on the behavior and welfare of the scholars in their care. All chaperones will abide by the *Chaperone Guidelines*. A background check, through the school, is required before chaperoning the trip. Background checks are good for three years.
- d. ALL scholars MUST RIDE THE BUS to and from the field experience. The number of chaperones needed for a field experience is dependent on the classroom teacher and the expectations required for the success of the trip. If there

is room on the bus, then adult chaperones may be invited to ride the bus. If a bus is full, chaperones may be asked to drive separately.

- e. Chaperone Guidelines:
  - i. NRCS truly appreciates volunteers that are willing to chaperone. Parental involvement is critical in supporting the school’s mission. For our scholars to get the most from their field experiences we ask the following from our chaperones:
    1. A full criminal history check must be obtained before chaperoning a field experience; these are good for three years
    2. Notify the teacher as soon as possible if circumstances will prevent you from chaperoning
    3. Carry a cell phone if you have one and make sure to exchange numbers with the teacher; this allows teachers and chaperones to stay in contact with one another
    4. Keep the scholars that you are responsible for close to you at all times
      - a. Scholars must be accompanied by an adult at all times
    5. DO NOT USE YOUR OWN MONEY TO PURCHASE ITEMS FOR scholars
    6. Parents must adhere to and follow school policy and procedures; you are a direct representation of NRCS
    7. The NRCS staff, including bus drivers, are in charge and are required to enforce school rules regarding scholar behavior at all school-related functions and field experiences, even if the parent is in attendance

**XXIII. Grading & Report Cards:** *See Parent-Teacher Conferences*

- a. Scholars will receive progress reports four weeks after the start of each nine weeks and a report card at the end of each nine weeks. All core subjects will be given a letter grade. Scholars will also be given a grade in citizenship and conduct (homeroom). If parents have any questions or concerns, they can contact their scholar’s teacher at any time.

- c. Academic Dishonesty- see code of conduct for consequences
  - i. Knowingly providing your work/answers to another student for them to use as their own.
  - ii. Replicating another student's work/answers and submitting them as your own. This also pertains to the use of artificial intelligence and a student using it as their own work.
  - iii. Utilizing illegitimate, barred materials during any assessment.
  - iv. Submitting work that was completed by another person and using it as your own.

    - 1. If you are ever in doubt ask your teacher of the assignment or project.

  - iii. Halloween
  - iv. Veteran's Day (Program for families and community veterans)
  - v. Thanksgiving (school break)
  - vi. Winter Holiday Season (school break)
  - vii. Martin Luther King (make-up day/no school)
  - viii. Valentine's Day
  - ix. Presidents Day
  - x. St Patrick's Day

#### **XXV. Homework:**

- a. Please check your scholar's homework daily! Special assignments, practice, and studying for tests require time at home for building skills. Scholars need to create good study habits and learn to plan, organize, and carry out academic requirements. Homework provides a valuable opportunity for parents to review assignments with scholars and check to ensure that scholars are completing lessons correctly. It also shows scholars the value placed on work done well. To keep organized and to learn successful study habits, daily planners are required in grades kindergarten through eighth. It is the teacher's responsibility to check the planners to be sure the information is entered correctly and the scholar's behavior is correctly identified. It is the parent's responsibility to initial the agenda indicating they are aware of the scholar's homework and behavior. When a

scholar has an excused absence, they receive one-day make-up for each day missed to complete assignments. When a scholar has an unexcused absence, they receive one day for each day missed to complete assignments.

**XXVI. Immunizations:**

- a. A complete immunization record or exemption must be on file by the first day of school. The state of Indiana requires documentation per child in school. *See code of conduct*

**XXVII. Lice:** *see code of conduct, Clinic*

**XXVIII. Lockers:**

- a. Scholars in grades third through sixth will receive a locker based on availability. Those scholars that receive a locker are to use the locker to store school supplies and personal belongings such as coats and bookbags. Scholars are not to place a lock on the locker. Keeping the locker clean and organized is the responsibility of the student. Students whose belongings are falling out of the locker will lose the privilege of having one. More information is in the *code of conduct*.

**XXIX. Medication:** *see code of conduct, Clinic*

**XXX. Notes to School:**

- a. Limitations on Physical Activity:
  - i. If a scholar is sick or injured, a doctor's note explaining why he or she cannot participate in recess or physical education is required. Otherwise, we will expect full participation. The state of Indiana requires daily physical exercise for all scholars. Thus, scholars are expected to participate in all recess and physical education activities and should be dressed appropriately as many activities are held outside.
- b. Medical Conditions:
  - i. If a scholar has a medical issue that requires any special considerations such as bathroom breaks or food allergies, a doctor's note is required. Parents should notify the Director of Health Services of any pre-existing medical conditions as diagnosed by a physician.
- c. Transportation:
  - i. If your scholar does not normally ride the bus or is to be dropped off with someone else, a note or phone call from a parent is required. A note from a parent is required before a scholar is eligible to ride a bus home with another scholar. Please contact the bus driver before 6:30 AM for morning changes and contact the school office before 3:00 PM for afternoon route changes.
- d. Pick Up:
  - i. To keep your scholar safe, a note is required from a parent if the scholar is to be picked up by someone on their pick-up list; they will not be able to leave with someone, not on their list. Without a note, we will require the scholar to go home as normal.

- XXXI. Parent Rights:**
- a. Parents have the right to discuss concerns/questions with NRCS staff, the Principal, or the Northern Rush County Schools Inc. Board of Directors.
- XXXII. Parent-Teacher Conferences:**
- a. We believe that parents and teachers should work together for the benefit of the scholar. At any time, parents are welcome to contact teachers (and vice-versa) to discuss a scholar or request a conference. NRCS staff believe it is important to set aside time after the first nine weeks and the third nine weeks to schedule specific times for parents and teachers to meet and discuss a scholar's academic and behavioral achievement. Please do not hesitate to call or email.
- XXXIII. Pictures/Videos:**
- a. Parents complete an *Information Sheet* when they enroll their scholar. This *Information Sheet* asks if a parent objects to their scholar's picture or image being utilized for marketing purposes for NRCS. The scholars do many activities and hundreds of digital pictures are taken of classes and scholars. The school website, newspapers, radio, television, and other advertising are ways we promote the school. You choose on your *Information Sheet* if this is something you would like your scholar to participate in.
- XXXIV. Progress Reports:**
- a. Progress reports or midterms are sent home after the first four weeks in the nine weeks. This form of documentation allows teachers to more formally communicate with parents/guardians. Progress reports allow parents to see exactly how their scholar is functioning in all subject areas. At any time, if a question arises about your scholar's grades, please contact the teacher.
- XXXV. Reading, Writing, & Arithmetic Buddies:**
- a. The place-based curriculum lends itself well for younger scholars to work with older scholars. It allows for investigative thinking that creates a stronger social, emotional, and academic connection among scholars of various ages.
- XXXVI. Recess & Social Time:**
- a. Please make sure scholars have dressed appropriately for outside recess. If there is any precipitation such as rain or snow, the scholars will not go outside regardless of the temperature. Recess/social time will be held outdoors if the weather is 20 degrees or higher, including wind chills, as determined by [www.weather.com](http://www.weather.com). A doctor's note is required if you would like your scholar to stay indoors during recess. This decision was based on the Indiana Department of Education's recommendations for daily scholar activity.
- XXXVII. Scholar Classification:**
- a. Promotion, Placement, and Retention

- i. Promotion or retention of scholars stems from the total development of the individual scholar related to the educational program. General overall scholastic achievement should have a prime influence in determining the retention and/or promotion of the individual scholar. No scholar should be exposed to the threat of retention as a disciplinary measure. Parents of any scholar doing unacceptable work which may place the scholar's promotion in jeopardy are to be notified well in advance of any actual decision regarding promotion or retention of the scholar.
  - ii. Parent-teacher conferences must be held whenever the retention of a scholar is being considered. No retention should be consummated without a parent-teacher conference.
- b. The Principal has the legal responsibility for scholar classification, and scholars may be reclassified when, in the best professional judgment of the Principal, it becomes necessary or advisable. The decision regarding matters of promotion and/or retention for any scholar rests upon the Principal, with an appeal possible to the NRCS Board. *See code of conduct*

**XXXVIII. School Web-Site:**

- a. The web address for the school's website is:  
<http://www.mayscommunityacademy.org>
- b. We also maintain an active Facebook group that can be found by searching Mays Community Academy, Northern Rush County Schools, and Lil Tigers Preschool.

**XXXIX. Tiger time:**

- a. This is an after-school program for scholars that need after-school care. The times are from 3:30-6:00 pm and are available to all students. The cost is \$7.00 per student and for siblings, it is \$3.00 each.

**XLII. Seclusion and Restraint:**

- a. *See Code of Conduct*

**XLIII. School Day/Hours:**

- a. The instructional day will begin at 8:15 a.m. A scholar will be considered tardy if he or she is not in the classroom by 8:15 a.m. Scholars will attend until 3:30 p.m. daily. If scholars leave early for an appointment, the scholar will not qualify for perfect attendance. NRCS instructional minutes exceed the state-mandated number of minutes per day. Office hours are from 7:00 a.m. to 4:00 p.m.

**XLIV. School-Parent Contract:**

- a. We value your role in working to help your scholar achieve high academic standards. The purpose of the school-parent contract is to communicate a common understanding of home and school responsibilities to assure that every scholar attains high academic standards leading to a quality education. The following information will serve as an outline of various ways you and the school staff can build and maintain a partnership of shared responsibility for your scholar's learning.

**XLV. Snack Time:**

- a. All scholars will have a snack provided by the school sometime throughout the day. Scholars who are not hungry learn better than hungry scholars. Snacks may not be brought in from home.

**XLVI. Special Education and Gifted:**

- a. All scholars are unique and learn differently. At NRCS, scholars who do not learn/walk/talk the same as everyone else are called "exceptional learners," and some may benefit from special education services to help them become the best they can be. Gifted scholars have areas in which they excel beyond the traditional curriculum provided by a grade level.

**XLVII. Specials:**

- a. NRCS provides three special classes. These classes are art, music, and martial arts/physical education. Monday thru Friday, each classroom will have a 45-minute special rotating between music, art, and martial arts.

**XLVIII. Scholar Drop-Off/Pick-Up:**

- a. Parents who drive scholars to school should drop scholars off on the west side of the building.
- b. At dismissal, scholars will be escorted to the front of the building. The dismissal process will proceed in three stages. First, the classroom teachers will lead bus

riders to the bus starting with junior high at the 3:27 bell and then elementary grades.

- c. After the buses leave, the car riders will be led to the end of the sidewalk and dismissed when the parent/driver pulls up in front of the building. We do ask that you do not get out of your vehicles, we will bring your child to you. This is for everyone's safety. You may pull forward and off to the side to seatbelt your child. Finally, scholars who walk to school will be dismissed. Please be patient through this process as safety is our primary concern.
  - i. Please see *Notes to School* above

**XLIX. Tardiness:**

- a. When your scholar arrives late to class, important announcements, instructions, and group activities are missed. Each scholar is an important member of the class. Timely and consistent participation makes a difference in what is learned. We encourage you to model the value of promptness as well as the importance of beginning and ending the school day with your classmates. The habits your scholar develops during these formative years will serve them throughout their lives.
- b. Scholars not present in the classroom by 8:15 a.m. are considered tardy
- c. Scholars who are tardy must be escorted by an adult to the main office to sign in
- d. Teachers are requested to refer cases of chronic tardiness to the administration
- e. Tardiness will count against scholars' citizenship/conduct grade

**L. Technology:**

- a. Internet access will be available within the school. All users will be required to complete and submit an *NRCS Technology Agreement* consent form. The Internet will be used as a communication and research tool and will be monitored periodically utilizing the Websense software on the server. Scholars do not have unsupervised computer access after school hours. The use of technology is a privilege and not a right. GoGuardian is also used by staff to monitor scholars' usage of technology.

**LI. Textbook Fees:**

- a. Starting the 2023-2024 school year, textbook fees are waived per the legislation.

**LII. Title I:**

- a. Title I is a federally funded program that provides financial assistance to states and school districts to meet the needs of educationally at-risk students. Some Title I schools offer school-wide programs available to all students, while some offer a targeted assistance program for eligible students. Both program types provide extra educational assistance beyond the regular classroom.
- b. NRCS provides extra services to all students who may need extra help on a skill or to help build foundational skills that were not mastered at the time of teaching. These services will be provided and monitored by a title teacher and instructional assistants. This title time will be daily (or as needed) for 15-20 minutes for 4-6 weeks to hit the areas of struggle, non-mastery, or confusion along with building

on the foundations and knowledge scholars already know. Mays Community Academy is considered a Title I school and services can be provided at any point throughout the year. A parent meeting will be done at the beginning of the year and a notice will be given to families if their child is put into a title group.

- c. Parents may request this service at any point as well. Scholars will be monitored and data will be collected during the 4-6 weeks they are given extra instruction.

**LIII. Transportation:**

- a. Scholars who walk or ride bicycles to school should follow correct safety standards. Parents who wish to drive their scholars to school should deliver them to the area that has been determined by the school.
- b. *See Code of Conduct*

**LIV. Vandalism: *See Code of Conduct***

**LV. Violence and Weapons: *See code of conduct***

- a. NRCS takes threats of violence very seriously. Any act or threat of violence by or against anyone associated with our school community – including scholars, employees, parents, suppliers, partners, volunteers, or visitors is strictly prohibited. This policy applies to all members of the school community.
- b. **Any use or possession of weapons, whether illegal or not, is prohibited on school property.**

**LVI. Visitors:**

- a. Parents, visitors, and volunteers are always welcome at NRCS. We want to be known as a friendly school where people are acknowledged. **All visitors must sign in at the office and receive a name badge.** Those who do not report to the office for a name badge will be considered unauthorized and could create concern for your scholar's safety. Visitors will be accompanied by a staff member. While we encourage visitors in our building, at no time can your visit disrupt the learning environment. Our staff will strive to make your visit informational and productive. Visitors may not photograph/video record scholars for the safety and security of our scholars.
- b. If a visitor is disrespectful to any staff member, or scholar or breaks any of the NRCS rules of behavior, they will be asked to leave the building. NRCS expects that while within school walls all adults act appropriately and set a good example. If an incident does occur, each incident will be dealt with on an individual basis.

**LVII. Volunteers:**

- a. Any volunteer working directly with scholars must have a criminal history check cleared with the school office.
- b. A background check can be completed at the following website:
  - i. <https://secure.safehiringsolutions.com/app.cfm?id=7585E441-D475-432D-A121-9F26207D1CF7>
- c. All volunteers or visitors who are in the building from 7:00 a.m. to 4:00 p.m. for any other purpose than to drop off or pick up their scholars are required to first go

to the office to sign in upon their arrival. Visitors and volunteers will also obtain a nametag to wear while in the building to be identifiable to any staff member to assure the safety of all scholars and staff.

- d. The building is locked from the hours of 8:15 a.m. to 4:00 p.m. to assure the safety of your scholars. Doorbells signal staff in the office. Scholars are instructed to not open doors to anyone during school hours so the doorbells are part of the safety procedures implemented by the administration to assure that no one may enter the building without the knowledge of the staff.
